

I don't know what I would do if I didn't have K-LOVE to listen to. It is extremely important to our family. The effects, if K-LOVE were to be displaced by an LPFM broadcaster would be horrible. In these times where so many people are lost and hearts are broken, the people turn to K-LOVE for a word from God and positive music and it gives so many, like myself, hope. Thanks for your consideration and God bless!
